

Fun

Rotary is fun. All meetings have a relaxed atmosphere. However, there is a regular calendar of social events for a wide spectrum of tastes. There is never a dull moment when people with a common purpose pull together in support of a worthwhile cause.

Personal Development

Through activities, responsibilities and opportunities Rotary promotes growth in social skills, public speaking, leadership and motivation.

Weekly Lunch Meeting

The Club holds weekly lunch meetings at the Newport Lodge Hotel (above the Brynglas Tunnels) starting at 12:45 each Wednesday.

Connecting lives, affecting lives

What is a Rotarian?

Rotarians are people who share their time and energy to help their community and have fun doing it.

Rotary is a worldwide organisation with over 1.2 million members operating in 168 countries. There are some 58,000 Rotarians throughout Great Britain and Northern Ireland in 1,845 clubs.

Who can be a Rotarian?

Rotarians come from all walks of life, the common bond is that they want to “put something back” into the Community. The varied cross section of each Club’s membership is one of Rotary’s great strengths.

Who is Helped?

The Rotary Club of Newport Uskmouth has assisted many different organisations. Below are examples of just a few which we help on a regular basis:-

Africamp
Bipolar Carers
British Red Cross
Health Help International
Jaipur Limb
Leukaemia Research
Mary’s Meals
RNLI
RYLA
Scouts
Shelterbox
Welsh Disabled Sports
World Wide Eradication of Polio
Young Musician Award
Newport Young Carers

Community Connection

Rotarians are active in raising funds and supporting projects involving health, education and the development of young people in the local community, nationally and internationally.

What’s in it for you?

The Rotary experience is built on volunteering, service, friendship, personal development and FUN.

Friendship

A strong sense of camaraderie develops among members through a variety of club activities. Rotarians stand together in good and bad times. Lifelong friendships are often formed.
